

Mini

Petit and flavorful, the Mini has a thin, delicate reddish rind with a silky, melting paste. It has a bold flavor, sweet and grassy with a mild yeastiness and a strong creamy finish. As the Mini crosses the sixty-day line, it takes on more of the characteristics of the local beer we wash it in, developing a sweet, hoppy taste like the head on a pint of draft beer.

Made in Virginia 

*Raw Milk
Cheese*

*Grass Fed
Cows*
